

Felicia Montoute - Biography

Felicia Montoute is a St. Lucian spoken word artist based in Bermuda. A former president and member of the St.lucia Writers Forum, where she got her first exposure to spoken word. She has captured first place at the first annual Ponn Damou Kreation's Poetry Slam, with her most famous pieces, "Champion," "Afro Inspired," and "For the Vagina." She placed third at the Word Alive Performance Poetry Competition for two years consecutively. As a facilitator and performer, she would make monthly appearances at the curated Improv A Movement for Artists, Headphunk.

Felicia, a dental hygienist professionally, infuses her love for creativity and the arts into dental health education to help patients with dental fears. Out of the office, she has been requested to perform at Blu Session of St.lucia Jazz Festival, events of the Cultural Development Foundation of St. Lucia. She has published work in the Cordite Poetry Review.
